

Remancenter

Industrial electronic sales and service
1452A W Harrison St.
Reidsville, North Carolina 27320
(336)394-4600(V) : (336)394-4603(F)
(336)340-4552 (nights,emergency)

Our goal is for complete customer satisfaction when it comes to supplying you with your industrial electronic needs. We strive to keep our prices lower than any other major Reman site on the internet. If you find a lower price, please contact us. We will research our pricing needs and attempt to lower them. Although this may not always be possible, we have yet to fail in doing so.

We buy new and used surplus equipment. Please send us your list.
